Prive: Replenishing Body Wash and Hydrating Body Cream

By Katharine McKenzie at 3:08 am under BEAUTY

Prive's Replenishing Body Wash and Hydrating Body Cream duo makes for a refreshing spa experience in the privacy and economy of your own bathroom. The body wash utilizes cucumber, green tea, and chamomile to revitalize skin with a soft lather. It sounds like a drink — and it is one - for your skin, that is.

RELAX IN STYLE

Les Bains de Privé Bath & Body Kit includes Replenishing Body Wash and Hydrating Body Cream.

Indulge your skin and senses in the heady fragrance and the rich healing properties of our bath and body duo.

The kit includes an 8.5 oz. Replenishing Body Wash and an 8.5 oz. Replenishing Body Wash.

Body Wash and Body Cream also sold separately.

Follow with the body cream full of avocado oil, orchid, and jojoba oil, and your skin is sitting pretty. And smelling pretty, to boot; the pair has a fresh, light herbal scent that pleases but doesn't overpower. To learn more, go to www.priveproducts.com.
